

CONTOUR COVERS

Foot Cup Placement & Leg Dimension Guide

Standard:

-The stretch of the polyester / spandex material will allow our Contour Covers to fit standard leg dimensions.

-Any TIP Full Coverage Contour Cover that doesn't meet the standard leg dimensions will require a custom template to be made.

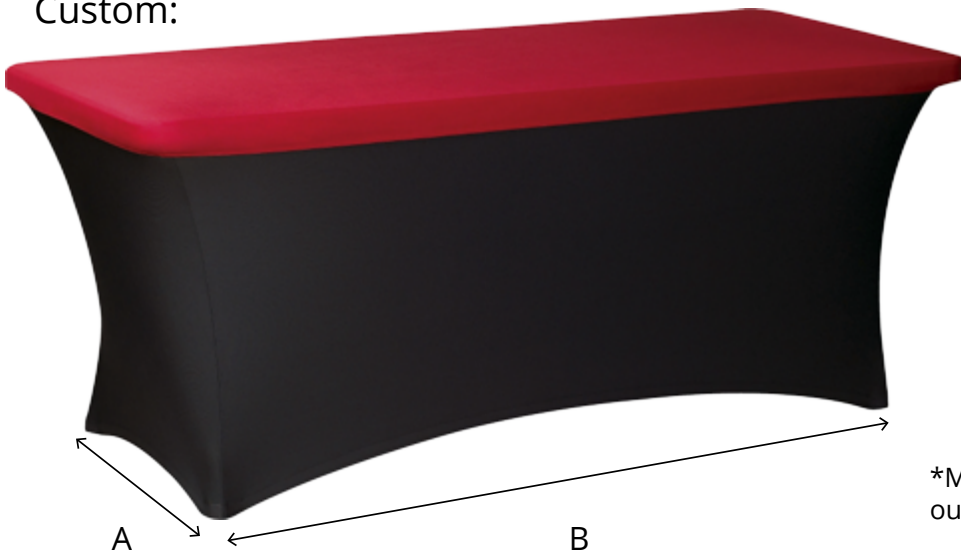

-Be sure to plan ahead, measure your table legs before beginning your order. This will ensure the perfect Contour Cover fit, and any delays in production.

-Measure from the outside of each leg.

-6' standard (Fig.1 20"-24" x Fig.2 54"-60")

-8' standard (Fig.1 21"-24" x Fig.2 74"-79")

Custom:

A. _____

B. _____

Table Size. _____

*Measure from the outside of each leg
